Story 1

Total World Emission from 19..	Total Emission by continents	Co2 Emission due to internal reasons	Co2 Emission due to External reasons	continents contribution due to c..	continets contribution due to cement Co2 E..	continets contribution due to flaring co2 emi..	Continents contribution due to oi..	Co2 emission past 10 years
--------------------------------	------------------------------	--------------------------------------	--------------------------------------	------------------------------------	--	---	-------------------------------------	----------------------------

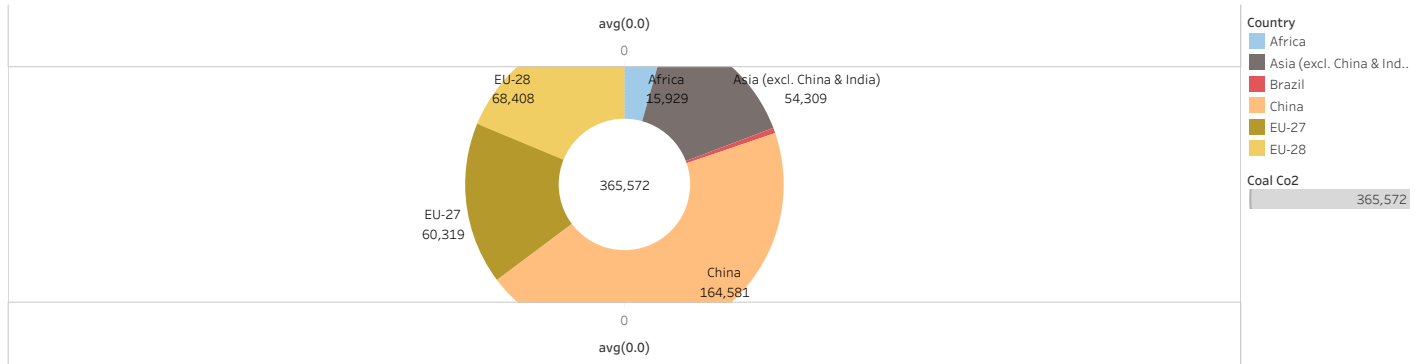

Story 1

Total Emission by continents	Co2 Emission due to internal reasons	Co2 Emission due to Exteral reasons	continents contribution due to c..	continets contribution due to cement Co2 E..	continets contribution due to flaring co2 emi..	Continents contribution due to oi..	Co2 emission past 10 years	Co2 emission india vs united states
------------------------------	--------------------------------------	-------------------------------------	------------------------------------	--	---	-------------------------------------	----------------------------	-------------------------------------

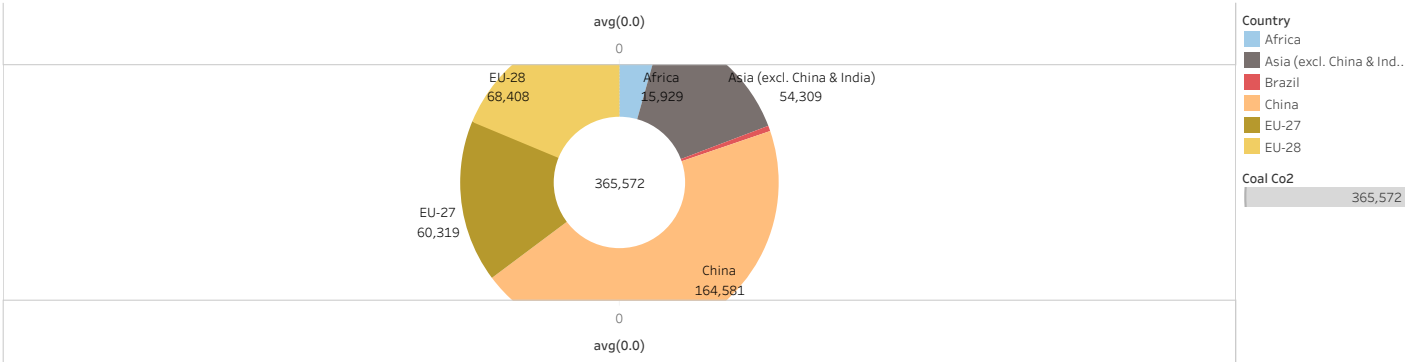

Story 1

Co2 Emission due to internal reasons	Co2 Emission due to External reasons	continents contribution due to c..	continets contribution due to cement Co2 E..	continets contribution due to flaring co2 emi..	Continents contribution due to oi..	Co2 emission past 10 years	Co2 emission india vs united states	Over all contribution by india and china in ..
--------------------------------------	--------------------------------------	------------------------------------	--	---	-------------------------------------	----------------------------	-------------------------------------	--

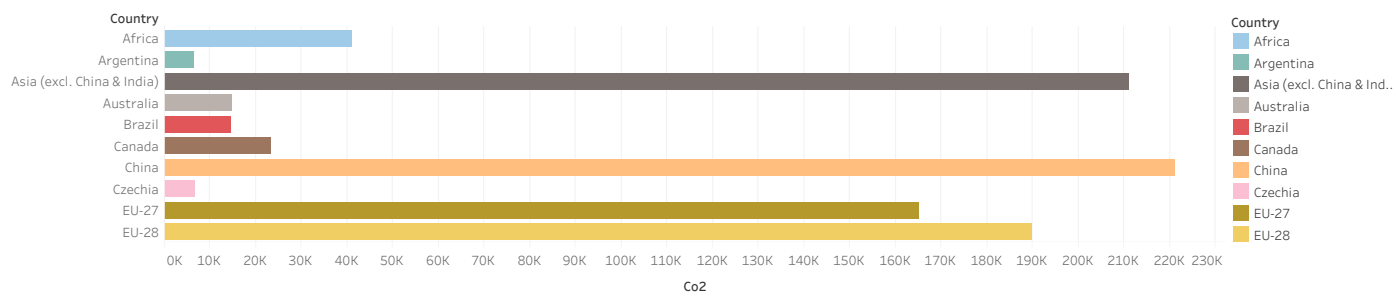

Story 1

Co2 Emission due to Exteral reasons	continents contribution due to c..	continets contribution due to cement Co2 E..	continets contribution due to flaring co2 emi..	Continents contribution due to oi..	Co2 emission past 10 years	Co2 emission india vs united states	Over all contribution by india and china in C..	comulative Co2 and co2 per capita over y..
